Pursuant to IC 13-15-5-3, this permit is effective immediately, unless a petition for stay of effectiveness is filed and granted, and may be revoked or modified in accordance with the provisions of IC 13-15-7-1.

If you wish to challenge this decision, IC 4-21.5-3-7 and IC 13-15-6-1(b) or IC 13-15-6-1(a) require that you file a petition for administrative review. A site visit to the project site will immediately follow the pre-bid conference.

The firms to whom the contracts are awarded shall have fifteen (15) days to enter into a contract with the District. Failure to do so may cause the bid to be rejected and the District may declare the bid security forfeited, not as a penalty, but as liquidated damages. The construction project is subject to Indiana prevailing wage laws, and the contractor to whom a contract is awarded, together with any subcontractors utilized, shall be required to certify compliance with prevailing wage standards. Upon award of the contract, but prior to the execution of a contract between the District and the contractor, the contractor shall provide a Performance Bond and a Labor and Materials Bond in an amount not less than one hundred percent (100%) of the bid sufficient to secure performance on the contract to the District. Any performance bond or labor and materials bond must be submitted from a surety company authorized to do business in the State of Indiana and acceptable to the District, and shall remain in force for at least one (1) year beyond issuance of the Certificate of Substantial Completion. Contract amounts under $100,000 are not required to furnish a performance bond, but successful bidders must be capable of obtaining Performance and Payment bonds if required at the option of the Owner. Contractors with contracts under $100,000 will be compensated for work in-place only (not stored items) if the foregoing bonds are waived.

All requirements as indicated in the Contract Documents and the Instruction to Bidders shall be met by successful bidders.
