LEGAL ADVERTISEMENT LEGAL NOTICE

Notice is hereby given that the Bargersville Municipal Electric Utility, Bargersville, Indiana, under and pursuant to the Public Service Commission Act, as amended, and Commission Order in Cause No. 36835-S3, hereby files with the Indiana Utility Regulatory Commission for its approval, a increase in its schedule of rates for electricity sold in the amount of \$0.002684 per kilowatt hour (KWH). The accompanying changes in the schedules of rates are based solely upon the change in the cost of purchased power, purchased by this utility completed in accordance with the Indiana Utility Regulatory Commission Order in Cause No. 36835-S3 dated December 13, 1999.

If approved, this change of rate shall take effect for the next practical consumption period following the date of such approval, or for the next practical consumption period following the effective date of change in the cost of purchased firm power, whichever is later.

LEGAL ADVERTISEMENT LEGAL NOTICE

The term of the leases shall be for one (1) year, and the lease shall be subject to cancellation at any time by the school, if in the sole judgment of the School Board, it becomes necessary to use the land for School purposes. In the event of any such cancellation, any unearned lease rental shall be returned to the lessee and if any crops are planted which the lessee may not harvest because of the School's cancellation of the lease or any renewal of the lease, the reasonable costs of such planting shall be reimbursed by the School to the lessee, but no loss of profits shall be allowed to any lessee because of such cancellation under any circumstances.

The lease rental shall be bid on a cash rental basis per acre and the first successful bidder shall have his choice of any of all parcels. In the event the first successful bidder does not elect to lease all parcels, bidding shall proceed on the remaining parcels in the same manner until all parcels are leased.

The successful bidder shall pay to the School one-half (1/2) of the total bid price for the one (1) year lease on or before May 1, 2005 in cash or by cashier's check or certified check, and failing to do this, the lease shall be awarded to the next highest and best bidder who pays the required one-half (1/2) of the total bid price for the lease term.

The remaining one-half (1/2) of the lease rental for the one (1) year term shall be paid on or before the 1st day of November 2005. Successful bidder shall exercise reasonable care to preserve the soil and to maintain appropriate drainage and will comply with any special drainage requirement of the Board.

The Board reserves the right to reject any and all bids. The leases contemplated hereunder shall be awarded to the highest and best bidder and the Board of School Trustees' decision as to which bid is highest and best shall be final and binding upon all bidders.

The successful bidder shall execute a written lease upon demand by the School and shall indemnify and hold harmless the School from any liability arising out of the operation of the lease, during the term of the lease.
