Stuart Appleby of Australia tees off during the second day of the Mercedes Championships in Kapalua, Hawaii, on Friday.

Appleby outlasts tough conditions

The Associated Press

KAPALUA, Hawaii

The scenery suggests a vacation in paradise. The golf was all work Friday in the Mercedes Championships, where defending champion Stuart Appleby survived 35 mph gusts for a 1-under 72 to take a one-shot lead into the weekend.

The trade wind was among the fiercest since this seasonopening event moved to Kapalua in 1999, but the name atop the leaderboard should look familiar. Appleby is trying to become the first player in nearly 50 years to capture the winners-only tournament three straight times. But it hasn't been easy.

He hit his tee shot into the knee-high weeds on the 18th hole and made a bogey, finishing his two rounds at 3-under 143. He won the past two years with scores of 21 and 22

under par. "If anyone gets to double figures, that would be excellent golf," Appleby said.

David Toms missed a 6-foot birdie putt on the 18th hole that could have caught Appleby, settling for an even-par 73 to join U.S. Open champion Michael Campbell (72), former U.S. Open champion Jim Furyk (72) and three-time major champion Vijay Singh (74) at 2-under 144.

Sergio Garcia (74) and Olin Browne (76) were the only other players to survive par on a Plantation course that was tough on lightning-quick greens that moved to warp speed when the gusts were at a peak.

It was a rude reminder that coming to Hawaii doesn't make this a working vacation.

The course average was 75.5, the toughest round in the eight-year history at Kapalua.
