**Manufacturing Engineer/Technician**  
Ten Cate Enbi, inc. a leading international supplier to the business machine industry has an opportunity for a Manufacturing Engineer/Technician.

Ideal Candidate should possess an AS in Mechanical Engineering Technology or an equivalent degree and/or 2 years minimum of manufacturing experience. Candidate must have proven skills in a fast paced manufacturing environment. This includes equipment and process setup, changeover, troubleshooting, improvements, and PM. Also included are monitoring quality of product and equipment.

Candidate must also possess the ability to multi-task, lead, train, and communicate, and work well with others. Must be a self starter, hands on and require little supervision. A background on machining or centerless grinding is beneficial.

This is an excellent opportunity for a dependable, self-starting individual to join a company with a participative approach to manufacturing. Please reply to:  
Ten Cate Enbi Inc, Human Resources, 1703 McCull Drive, Shelbyville, IN 46176. EOE
