FRANKLIN COLLEGE

 Franklin College is a four-year, private liberal-arts college of 1,000 students. Franklin College was founded in 1834 making it one of the oldest colleges in Indiana. In 1842, Franklin became the first college in Indiana to admit women. Franklin, a city of 15,000, is located 30 minutes south of downtown Indianapolis.

Director of Marketing and Community Relations
 The successful candidate will report to the Vice President for Enrollment Management and Marketing. Responsibilities include leading the collaborative development and execution of a comprehensive marketing plan; marketing the College through positive community relations; facilitating outreach programs; assisting in the development of innovative programs and events, and market these activities appropriately; and leading and directing the design, editing, updating, and broad based content of the College's website including supervising the College's webmaster.

Qualifications include a bachelor's degree (Master's preferred) in marketing or related field and extensive experience marketing (higher education marketing experience highly desirable). The successful candidate will have outstanding interpersonal and public communication skills; supervisory experience; and a collaborative, team-oriented work style.

Coordinator of Electronic Communications (External WebMaster)
 FT position reporting to the Director of Marketing and Community Relations. Responsible for the design and content of the Franklin College external website. This individual will: Facilitate campus discussions with all web content providers with regard to policy/procedures and design; investigate the appropriate use of all electronic communications (e.g. e-mail, web interfaces, blogs, etc); and maintain all appropriate files, records and statistics.

Qualifications include a bachelor's degree or equivalent and 2-5 years of experience working with web pages. The successful candidate will have demonstrated proficiency in HTML, Graphic Design, Cold Fusion, SQL, and Photo Shop; technical project leadership; and the ability to interact professionally with all internal and external customers. Work experience in a college environment is desirable.

Review of applications will begin immediately and continue until the position is filled. Interested candidates may submit their cover letter, resume and the names and addresses of three professional references to:

Director of Human Resources
