DISTINCTIVE KITCHEN & BATH

Distinctive Kitchen & Bath is your source for quality Amish cabinetry, countertops and design. We pride ourselves in the quality and value that goes into each product we sell. Only the finest hardwoods are used in our all-wood Amish cabinets, never particle board or other standard materials. And, when compared with other quality cabinetry, our cabinets are priced at a better value. This new kitchen is an example of just a few cabinetry options that Distinctive Kitchen and Bath has to offer. The openness of the kitchen lends itself very nicely to large families and casual entertaining. Distinctive Kitchen and Bath also puts a first-class touch on bathrooms, bars, offices and entertainment centers.

Why not let Distinctive Kitchen & Bath help you with your new home construction cabinetry needs. Call and schedule an appointment with Chris, Jack or Andy today. You'll be glad you did!

SALT DAMAGE

Salt used for deicing walks and roads can cause or aggravate winter injury to ornamental plantings. Salt spray from vehicles can also cause damage appearing as a burn on the foliage. Salt washed into ornamental beds can injure roots and also can be absorbed by the plant, eventually resulting in foliar damage.
