**THE CHILDREN'S ROOM**

Our Franklin Funeral Home has a large chapel for visitations and funerals. We can accommodate a small intimate service to very large services. We have redecorated the chapel area to better serve our families comfortably during the loss of a loved one.

We have a children's room next to the chapel. We invite you to bring your children with you to the funeral home to be with your family. The room has a T.V., VCR, several movies to watch, games, toys and books to read that accommodate children of many ages. The children's room has been a success at our Whiteland Chapel, so we added one to the Franklin chapel.

Yes, we have made some changes at our Franklin Funeral Home, but we have also left some of the historical look as well. We invite you to visit our Franklin Chapel and see the beautiful changes. Also visit our Web site for more information.

At Franklin Meadows we are proudly presenting a new tradition called “Cub Time.” Custer Baker Middle School and Franklin Meadows have teamed up together for this ongoing event. Through the efforts of Mrs. Pamela Millikan, principal at Custer Baker and part of her staff called the “Champions,” which is made up of five 7th grade teachers who are: Kat Carter, Karon Cheek, Bruce Cunningham, Daine McClure, and Matt Worland. Every Friday they bring over 35 to 40 7th graders to get acquainted with the facility, residents, and staff. After all students have gone through the initial tour they will be coming over on “Cub Time” for activities with the residents. These activities are going to include story time, current events, trivia, and ball toss to name a few. The staff and residents at Franklin Meadows look forward to hosting these students and hope that it is the first of many intergenerational activities.
