- A human beings heart begins to beat 22 days from conception.
- 93% of all abortions have been done for social reasons.
- Alternatives to abortion: Crisis Pregnancy Centers, Adoption

Please join Right To Life of Indianapolis for a memorial service for the unborn, and Indy Memorial Walk, Sunday January 28, 2007, 2-3 pm. 431 N. Meridian St., Indianapolis (Enter from Michigan St.) Join pastors in an inter-denominational prayer service and memorial walk. More info, call 317-582-1526.

This year, as we observe Sanctity of Life Sunday, please remember to pray that women considering abortion will instead choose life that these defenseless, unborn children may live. Pray that churches and ministries will increase efforts to meet the pressing needs of new mothers, and to help women struggling in abortion's aftermath to find healing and hope. Pray that leaders in our state will be moved to protect the right to life of unborn children. And remember to thank God for the gift of life HE has given to you.
