

Before making a fool of yourself
in front of the city council...

YOU NEED TO READ THIS

Are you mad at City Hall? Well, just settle down for a moment.

Before you yell and scream, take a deep breath and read the Daily Journal.

Our reporters will carefully guide you through important local issues - whether it's a proposed tax increase or an ordinance to give council members a big raise.

The Daily Journal will tell you if the city needs more police officers on the street or if officials are talking to a company that will bring new jobs to town.

Get your facts straight from the Daily Journal. Then you can decide whether or not to call the mayor's office.
