

Before getting into it
with your doctor...

YOU NEED TO READ THIS

He's got a good point. Your terrible diet and lack of exercise don't bode well for your future. The Daily Journal can help.

Our health coverage - on Tuesdays and in nearly every issue - provides excellent information about improving your physical and mental well-being.

We share with you the best ways to count calories and offer simple steps to make your heart and other muscles stronger.

Listen to what your doctor tells you, then pick us up in Johnson Memorial Hospital's gift shop or call 736-2777 to subscribe.
